

YARD DUTY AND SUPERVISION POLICY

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Armstrong Creek School, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

POLICY

Before and after school

Armstrong Creek School's grounds are supervised by school staff from 8:40 until 15:30. Outside of these hours, school staff will not be available to supervise students. Information regarding the supervision of before and after school are sent out via our Newsletter and directly to families via our parent portal, Compass.

Before and after school, staff will be available to supervise the Central Plaza, the gate at the pedestrian crossing, the gate at the Office Block and the gate at the entrance to the Bike Shed.

Parents and carers should not allow their children to attend Armstrong Creek School outside of these hours. Families are encouraged to contact YMCA directly on 04 1819 5782 or 83710597 for out of hours care. Families may also want to email YMCA at armstrongcreek@ymca.org.au for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available)

- contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student.

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

Yard duty

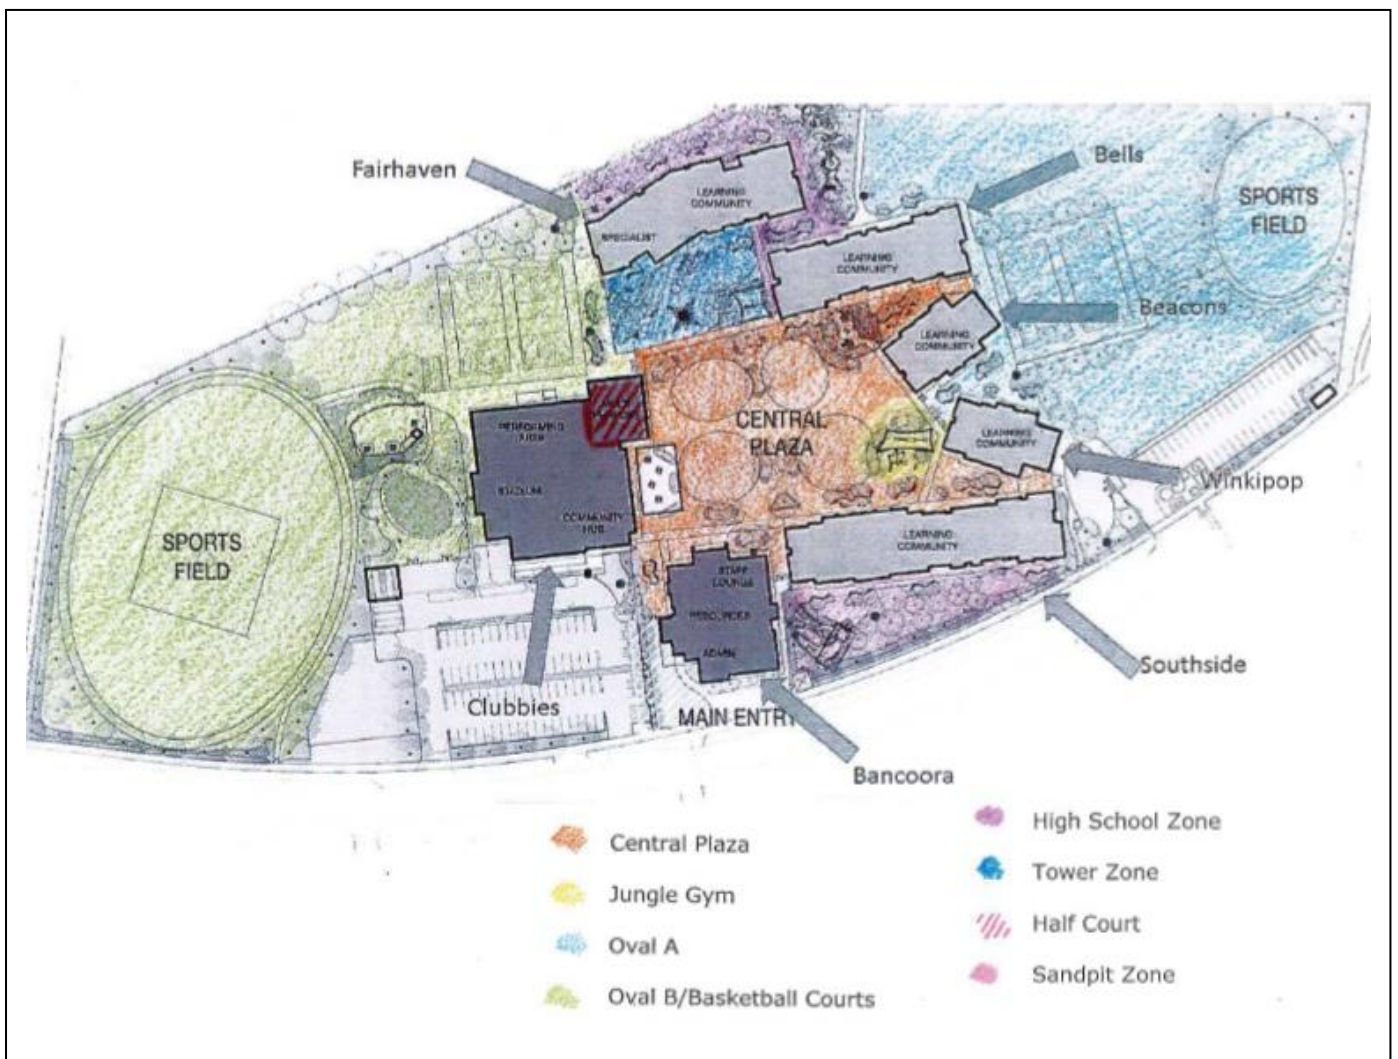

All staff at Armstrong Creek School are expected to assist with yard duty supervision and will be included in the weekly roster.

Staff should read the Daily Bulletin every morning as information regarding staff replacements for absences, are indicated in under the section of Yard Duty Changes.

The Leadership Team (Leading Teacher) is responsible for preparing and communicating the yard duty roster on a regular basis. At Armstrong Creek School, staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school in 2020 are as follows:

Staff who are rostered for yard duty must remain in the designated area, start and finish their yard duty on time:

Recess at 10:55 – 11:25

Lunch at 1:25 – 1:55

During yard duty, supervising staff must:

- methodically move around the designated zone to ensure line of sight of every space in the designated area. Where two staff are on duty in the same space ensure you are spread out across the area and refrain from congregating. See Yard Duty Expectations (see appendix)
- be alert and vigilant
- wear the First Aid bag
- intervene immediately if potentially dangerous or inappropriate behaviour (physical fight) is observed in the yard or call the Office for assistance. Call 5218 5100 from your mobile phone or send two students to the office or another staff member.
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in your school's Student Inclusion and Engagement policy, Bullying Prevention Policy, the Yard Duty Expectations and 2020 Clubs Handbook.
- ensure that students who require first aid assistance receive it as soon as practicable

- log any incidents or near misses as appropriate on Compass and notify the Home Group Teacher. See the Process for School Wide Positive Behaviour Support Handbook on data entry.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact their Leading Teacher with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Office (5218 5100) but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should call the Office (5218 5100) who will direct the call to Leadership and not leave the designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

Classroom

The classroom teachers are responsible for the supervision of all students in their care during class.

If a teacher needs to leave the space unattended at any time during a lesson, they should first inform their co-teaching partner for assistance. The teacher needs to wait for the co-teaching partner to arrive or is able to supervise the group prior to leaving.

School activities, camps and excursions

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activities. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved. Also see the Camps and Excursion Policy.

Students participating in VCAL activities will be supervised by their teacher and where necessary individual education support staff members. The teacher is responsible for overseeing the program as well as one to one support of students. The education support staff members are responsible for the one to one support.
