

5th December 2024

Dear parent/carers,

Armstrong Creek School is looking forward to another great year of teaching and learning and would like to advise you of Armstrong Creek School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide *a wider offering of programs and special curriculum experiences and enhanced digital learning opportunities.*

All booklist supplies will be available for students in their classroom on the first day of Term 1, **Tuesday 28th January 2025**. Contributions from families are highly valued by the school and can be made through Compass, direct deposit, BPAY, credit card and EFTPOS. This can be done as a one-off payment, or through various instalments.

Any credits currently on your school account can be used for curriculum contributions or extra-curricular items and activities. Carried forward CSEF funds and School Savings Bonus funds are only able to be used for camps, sports, or excursions, please contact the school office to arrange this. Items eligible for the School Savings Bonus are highlighted under Extra-Curricular Items and Activities.

The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through financial contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Educational items for students to own

Please note: We source our school items in bulk, free of GST and have them delivered to the school to be able to offer value, consistency, and convenience. Parents/carers may choose to make a voluntary curriculum contribution towards this, or purchase book pack supplies themselves. If you choose to provide your own booklist items, you are asked to consult with the school office to ensure your child has the correct items.

Extra-Curricular Items and Activities – provided on a user-pays basis

Armstrong Creek School offers a range of optional items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides to deliver the Curriculum.

The cost of extra-curricular items and activities will be advised throughout the year.

Financial Support for Families

Armstrong Creek School understands that some families may experience financial difficulty and offers a range of support options, including:

SCHOOL SAVINGS BONUS

You do not need to apply for the School Saving Bonus.

The Department of Education would have sent an email to you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs. You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks (*Armstrong Creek School do not require students to purchase textbooks*).

The bonus can be used at the school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.

Funds will roll over for use in future years if it is not all spent in 2025.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

Parents/carers who hold a valid means-tested concession card or are a temporary foster parent can apply for CSEF which provides the school with \$125 per primary student or \$225 per secondary student to cover the costs of excursions, camps, and sporting activities. Please collect an application form from the school office if you hold an eligible pension or healthcare card.

UNIFORM SUPPORT – State Schools' Relief (SSR)

State Schools' Relief (SSR) is an autonomous, charitable organisation that assists Victorian government school students who are experiencing financial disadvantage because of short-term crisis or long-term chronic need. SSR is supported by the Department to assist with uniforms and other essential items for students who need assistance to continue their education.

Short-term crisis and long-term chronic need are the primary qualifying criteria for support from SSR, including refugee status, homelessness, family violence, house fire, natural disaster, financial hardship, illness, and emergency.

SSR assistance will be provided by either direct supply of uniform items or uniform vouchers for redemption from school uniform suppliers.

Please contact the office if you require this support. Every Prep and Year 7 government school student who is a recipient of the CSEF automatically qualifies for a school uniform pack voucher from State Schools Relief (SSR).

COMPASS

Compass is the main platform at Armstrong Creek School for communication, reporting, and event management. In preparation for 2025, families will be able to access booklist items and other contributions through Compass. There are a number of payment options on this platform:

- One-off payment for all contributions
- Flexible payment arrangements. Parents may choose to contribute flexibly across the year. To support our planning and administration,
 - monthly payments starting in January – October 2025 or
 - semesterly payments January and July 2025 or
 - termly payments January, April, July, October 2025.

Flexible arrangements in Compass are provided as the result of community consultation requesting easy ways to make flexible payments. They are voluntary and can be altered/cancelled at any time.

When contributions are made available on the Compass system, you will see an alert on your dashboard. By clicking the alert, you will be taken to the confirmation page. Select your chosen option and proceed through the prompts.

Any payments towards the Library Fund are tax deductible, and a tax invoice can be provided by the school.

BPAY

All ACS families have an allocated BPAY number. If you are unsure of your reference number, please contact the office on (03) 5218 5100 and they will be able to assist.

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payments Policy and Guidance, Financial Help for Families Policy, and any other relevant information.
